er, the three schools united, C. D.  
Bentley carries the children from Dis-  
trict No. 1 and Miss Stickle from Dis-  
trict No. 3.

# 4 New Refinements

Arrow points to new and improved windshield  
Upper half overlaps lower half.  
Absolutely rain-tight.

Instrument board, showing gasoline gauge, electric  
dashlight, speedometer, electric starting  
and lighting plugs and ammeter.

Wider and longer seats and deeper cushions, as  
indicated by arrow.

Arrow shows old and new spring construction.  
New springs much longer and more flexible.

**MAXWELL** Motor Cars are now equipped with a new and  
improved windshield, still longer and more flexible  
springs, wider seats, deeper and softer cushions, dashlight,  
gasoline gauge, and other equally important refinements.

To the generous value heretofore present  
in the Maxwell product, these extra im-  
provements have now been added.

This is in line with the Maxwell policy—not to change the  
Maxwell in any essential detail, but to  
continue improving it so that it will  
always be a standard, recognized product,  
constantly abreast of the best practices  
of the industry.

Notwithstanding the superlative and  
sometimes confusing claims that are  
made in behalf of various automobiles,  
we restate our sincere conviction that  
**Maxwell Motor Cars offer more real value**

per dollar than any other car in the  
world.

This too, is the belief of the thousands  
and thousands of Maxwell owners. And  
these beliefs are supported by actual and  
tangible facts. We actually know that  
within the entire history of the automo-  
bile business, no motor car—in any class  
or at any price—has equalled the Maxwell  
in honest dollar-for-dollar value.

And if you will examine a Maxwell, ride  
in it, compare it with other cars, consider  
its splendid record, reputation and past  
performances, you too, will know it.

Call or phone for a demonstration.

## FOUR WEEKS IN HOSPITAL

Mrs. Brown Finally Restored to  
Health by Lydia E. Pinkham's  
Vegetable Compound.

Cleveland, Ohio.—"For years I suf-  
fered so sometimes it seemed as though  
I could not stand it any longer. It  
was all in my lower organs. At times I  
could hardly walk, for if I stepped on a  
little stone I would almost faint. One  
day I did faint and my husband was  
sent for and the doctor came. I was  
taken to the hospital and stayed four weeks but when I came  
home I would faint just the same and  
had the same pains.

A friend who is a nurse said for me to  
try Lydia E. Pinkham's Vegetable Com-  
pound. I began taking it that very day  
for I was suffering a great deal. It  
has already done me more good  
than the hospital. To anyone who is  
suffering as I was my advice is to stop  
in the first drug-store and get a bottle  
of Lydia E. Pinkham's Vegetable Com-  
pound before you go home."—Mrs. W.  
C. Brown, 1109 Auburn Avenue, Cleve-  
land, Ohio.

Why not take Mrs. Brown's advice?  
Write for free and helpful  
advice to Lydia E. Pinkham  
Medicine Co., (confidential), Lynn,  
Mass.
